Travel Insurance

For your protection, **travel insurance is strongly recommended**. Travel insurance should be confirmed on the date of booking your trip or prior, to avoid unforeseen costs of canceling or curtailing your vacation. If you have travel insurance in place please check the appropriate box below.

Need Insurance? Should you wish to purchase travel insurance we can recommend our preferred insurance partner and provide you with a link to include with your quote request. Your signature on this insurance waiver form is required confirming you have travel insurance arrangements in place.

Please check the box to confirm you have travel insurance for this trip in place, purchased via your travel agent's preferred partner.

Please check the box to confirm you have travel insurance for this trip in place, purchased independently via your own insurance provider.

Please check the box to confirm you have chosen to forgo any insurance coverage for the duration before and after the trip and release any liability for the agent and understand neither TravelWizzy or the sales agent is responsible for any losses/damages or medical injury if this should occur during your trip that was planned by our agency or the agent responsible.

With my signature below, I confirm that I understand that without travel insurance, should I need to cancel for any reason, that I could lose up to 100% of the cost of my cruise/tour/vacation package/travel arrangements and that I can lose all benefits of coverage for missed connections, travel delay, lost luggage, air ambulance for medical emergency, as well as emergency medical and dental coverage and I am aware that my own medical insurance may not cover me outside of my country of residence.

I understand that my travel advisor / provider holds no responsibility in this matter, as they have advised me (via this form) of the importance of having adequate travel insurance in place, from the point of confirming the booking. I do not expect my travel advisor or provider to assist me in any way in recouping lost funds should I have to cancel my trip. I have read and understand all cancellation charges and change fees related to the above travel arrangements. In case of cancellation of non-refundable airline tickets or other arrangements, I agree to pay all applicable penalties according to the travel supplier's terms and conditions.
